During second semester, Wednesday lunches became more of an 'Experience' OV. What became known as "Recess" was developed as a result of the Leadership Retreat that was held in the fall and focused on creating more of a "user friendly" environment for the students. Kailey George helped conceptualized the "Just A.S.K (Always Seeking Knowledge) program with Mrs. Atchison and the guidance office. The goal was to break down barriers and help the OV community get to know each other better. Mixed grades ate together and played games such as Headbands, Pictionary and Riddles and answered questions about themselves. After lunch (or before depending on the group assignment), Students were given free time in the gym to enjoy "Recess." They could play basketball, volleyball, toss a football, work on homework, play video games, play ping pong or just sit and relax.

The OV Timberwolves speed through a successful 2018 Cross-Country season. Five boys and three girls ran fast, ran long and ran far during three ugly weather filled months. Many personal bests were set along the way, while Karlie Stauder advanced to Sectionals and become the first Okaw Valley student to run in the post season. The talented runners were coached by Brennon Baker and Larry Owens. Representing the T-Wolves for the boys team were Parker Perrine, Canaan Christensen, Preston Ozier and Damien Coney, while Mia Harris, Kylie Stauder and Karlie Stauder ran for the Lady Timberwolves.

The Lady Timberwolves Volleyball Team, coached by Sarah McDowell, bumped, spiked and set their way through the 2018 season. The younger players were quick to adapt to the faster paced game under the leadership of the experienced veterans. The ladies learned to work as a team and upped their skills on the court. As a team, the Lady Wolves won a multitude of matches and continuously cheered all season to keep up morale. Even after some tough games, the girls were happy with their overall performance and season record of 18-14. Although defeated in the regional championship, the ladies had a positive outlook on their experience and were happy to celebrate a successful season.

The 2018-2019 FFA eagerly jumped into the year ready to use the new Ag Complex, however, construction was delayed due to weather and Mr. Wise was ble to move his program in over winter break. With many new members, OV FFA was able to participate in numerous competitions including Creed Speaking, Public Speaking, Dairy and Livestock Judging, Soils and Equestrian Contest. Members celebrated National FFA Week at OV and invited the elementary school to their petting zoo. They also participated in CORPS days and farmed the OV CORPS ground. Members also formed a team and played Donkey Basketball during the FFA Alumni fund-raiser. To end the year and celebrate all their many accomplishments from the year, FFA held it's Annual Banquet in the new Ag Complex.

The 2018-2019 OVHS Student Council began the year planning Homecoming. Led by the Executive Council, stu co members organized fun activities and events for the big week including dress up days, powder puff and tuff games, float and window building, community parade and the semi-formal dance. Along with weekly meetings, members planned monthly activities for the council and/or school. Big events for the OV community included two Red Cross Blood drives, Veteran's Day Breakfast, Kids Night Out and Teacher Appreciation Week. As a council they attended the EIDASC District Convention at EIU where they led a discussion group on creating an Honor Book, had a team building/social at the Pumpkin Patch and several members were able to attend the IASC State Convention in Lombard where they received a plaque for their Honor Book. As always, Stu Co stayed busy helping lead the school with entertaining and educational activities that helped created a fun and memorable year for everyone.

The SOV Football Team took a few hard hits during the 2018 season. With it's lowest number of players in years, everybody was an important part of the team. New head Coach Jeff Myers, pushed his team to up their skills by working on the basics and fundamentals all while trying to elevate their work and communication field. The highlight of the season for OV was hosting their own Homecoming game for the first time in many years. The SOV Redskins ended the season with a record of 0-9.

## "FEED ME" - LITTLE SHOP OF HORRORS

The OVHS Drama Club presented the musical "Little Shop of Horrors" for the general public on April 18-20th and for the school on April 24th. The quirky, off beat musical was written by Alan Menken and Howard Ashman. "Little Shop of Horrors" was the typical boy-meets-girl, plant-eats-world love story. Audiences were taken on a 60's rock musical journey through the streets of Skid Row to a struggling flower shop where a bloodthirsty plant from another world eagerly awaited its next victim. Filled with delightfully demented humor and catchy show tunes, "Little Shop" wowed the crowds and showcased the best OV drama has to offer. Cast members included Seniors Gavon Hargrove as Seymour, Bella Benning as Audrey, Shelby Hagerman as Mushnik, Kaylee Taylor as Ronnette and Molly Phillips as a Street Urchin. Junior Isaac Dickens portrayed Orin and the Voice of Audrey II, while Kate Jeffers took on several 'character' roles. Sophomores Hannah Durbin and Calleigh Foster played Crystal and Chiffon, while Freshman Mikhayla Ward portrayed a Street Urchin. The most difficult role of the show, the Audrey II Plant, was played by Freshman Savannah Hagerman.

# The Things they Carried

"WAR PIGS"  
- BY BLACK SABBATH

*The Things They Carried* is a book about Vietnam written by Tim O'Brien. As a creative project in Mr. Kirksey's English Class, Addison Webner, Hayden Carlson, Caleb Hildebrandt, Dalton Milligan, Isaac Tipsword and Eric Boomer filmed a movie based on the novel. Hayden Carlson filmed and edited, Addison Webner produced and directed and the rest of the class served as actors. Making guest appearances were Lathen Hoyer, Riess Frye, Canaan Christensen, Chloe Ryherd and Kami Landreth. The cast and crew shot on location at various sights around Bethany and Findlay. The huge project involved learning about all aspects of creating a movie including writing, acting, directing and editing. The movie will be release in two parts with the second coming in the fall of 2019.

Okaw Valley held its Homecoming Celebrations the week of September 3-8, 2018. Student Council planned the superhero theme week filled with numerous spirit lifting events. Students were encouraged to participate in the dress up days that included "Superhero Day", "Defend your Class Day", "Dynamic Duo Day" and "Spirit Day." On Wednesday, the classes battled it out during the annual Powder Tuff and Powder Puff games. Class window displays were due on Thursday and Friday morning was set aside to build floats. The annual Homecoming parade took place on Friday afternoon, with OV hosting the SOV Varsity Football game that night. On Saturday, Kailynn Bobbett and Garrett Tippit were crowned as Queen and King at the Homecoming "Ball." OV celebrated the end of a fun filled week by dancing the night away and making memories that will last a lifetime.

Powder Puff and Tuff were played a bit differently for the 2018 Homecoming festivities than they had been in previous years. Powder Tuff started out the afternoon with the normal Freshmen verses Sophomores and Juniors vs. Seniors, however, only the championship game was played and the Seniors coming out victorious against the Sophomores. Powder Puff was treated as a playoff only game with the classes combining for one big game.

The Freshmen and Juniors faced off against the Sophomores and Seniors, however, no winner was crowed as these two amazing teams kept tying in several over-time minutes.

Garrett Tippit and Bella Benning were crowned as the new King and Queen during coronation which preceded the dance. Alumni Brody Dotson kept the music flowing and everyone had a great time dancing to Cotton Eyed Joe, Cha Cha Slide and some of today's greatest hits. The dance floor stayed full all night as OV made enough memories to last a lifetime.

The 2018 2019 OVHS National Honor Society began the year by welcoming sixteen new members during their annual Induction Ceremony in November. NHS members earned some of their required service hours by hosting a Thanksgiving Luncheon for the faculty and serving at the Annual Senior Citizen Christmas Luncheon. For their spring group activity, members created handmade Valentine's Day cards that were delivered to nursing home residents.

Family, Career and Community Leaders of America, otherwise known as FCCLA did multiple things to help the community during the 2018-2019 school year. Members decorated the tables in the cafeteria for the Annual Senior Citizen's Luncheon in December. Also during December, they participated in the Angel Tree Project and brought in Christmas presents for young children in the community. During winter exams, the group had a hot chocolate bar and bake sale in the "FCCLA Lounge" on the third floor. FCCLA members also participated in the Meals on Wheels program where they delivered food to Senior Citizens in the community.

Students Against Destructive Decisions (S.A.D.D.) goal is to educate students on the dangers of Alcohol Addiction, Smoking and Drug Abuse. S.A.D.D. also works to promote safe driving habits. S.A.D.D.'s biggest activity was Red Ribbon Week in October. With the theme "Love Yourself. Be Drug Free." SADD members planned dress up days such as "Give Drugs the Boot" and "Sock-it To Drugs" for the student body and gave candy treats to those who participated.

The OV Band began the 2018-2019 year with band camp in July where they began working on their field show "Joseph and the Amazing Technicolor Dreamcoat." Under the direction of new music teacher, Ms. Erin Bozek, the Marching Timberwolves pulled together and played their hearts out at different competitions around the area including Mt. Zion, Effingham and they even had the opportunity to perform at Eastern Illinois University. The very talented group brought home numerous trophies, placing in the top 3 at all five competitions. After marching season, the band worked on music for concerts, pep band, honor band and solo and ensemble contests. They had the opportunity to play at the Veteran's Day Assembly, Winter Music Concert, Spring Music Concert and Graduation. Other activities for the band included the LOVC Band Festival and several individuals auditioned and were chosen to play in the Honor Band at Millikin University.

The 2018-2019 OVHS Chorus made the most of their year by selecting material that best fit their group dynamic. With several new additions and a few fan favorites returning, their dedicated director, Kathy Doty, took the Chorus to a new level by picking modern music for their concerts. They were able to sing at the Veteran's Day program, Senior Citizen's Luncheon, Winter Music Concert and the Spring Music Concert. Members of the Chorus also were

able to participate in various activities such as Solo and Ensemble Contest, Honor Band and singing the National Anthem at OV ball

games. Senior Bella Benning auditioned and was chosen for the All-State Choral Festival. Okaw Valley hosted the LOVC Choral Festival in November and all the chorus members were able to participate.

The 2018-2019 Art Club focused its energies on learning, creating and experiencing art. In the fall, Art Club members joined forces with the Drama Club and traveled to Chicago to visit the Art Institute and see the musical "Hamilton." Other activities for the year included constructing and painting the sets for the fall play and spring musical and painting a mural board for the CORPS. For their final activity in April, members attended the first ever LOVC Art Festival at EIU where they were able to participate in a jurored art show and attend hands-on workshops. The Art Day encouraged the students to express creativity and encouraged open thinking.

The OV Boy's Basketball team took to the court during the 2018-2019 season looking to bring the competition to a whole new level. Coach Inman pushed the new recruits and returning veterans to play like they have never played before. With a tough playing field in the beginning of the season, the T-Wolves found themselves fighting to stay competitive in several games. Their fighting early on made them a stronger team in the second half of the season and they were able to dominate over many area teams. Their fight and determination to improve and stay strong is what drove the Timberwolves to play together as a better team. In the end, the season record of 13-20 doesn't accurately reflect the journey the team took during the year and how much heart the boys put into each and every game.

The 2018-2019 OV Cheer Squad may have been smaller in number than in past years, however, they made up for it in school Spirit. Coach Kathy Doty pushed the girls to cheer loud and proud and with smiles and enthusiasm. Not only did the girls cheer for all the boys basketball games, but they had a competition team as well. The team competed on January 26th in Mahomet and the girls placed 10th out of 16. The squad held it's always favorite "Kiddy Camp" for future OV cheerleaders in early February. The campers were able to show off their newly learned stunts and dance at the last home boys basketball game on February 12th.

The 2018-2019 OVHS Scholastic Bowl team saw the return of several players key to their success in the past as well as many new additions who only increased the formidable team in their quest for top knowledge. Led by their new coach, Mrs. Kanelos, the team saw many victories and only a few defeats. With a record of 83, the season was more than successful, with veteran player Isaac Dickens chosen to be on the all-conference team. The 2018-2019 Science Club started the year by hosting their annual Kids Science Night at OVHS. The event teaches elementary students important things about the wonderful world of science and lets them participate in many hands-on experiments and science based activities. With the newly reconstructed science rooms, many students gravitated towards the classes and were able to learn in a whole new way. At the end of the year, the Science Club was able to travel to Chicago to visit the Shedd Aquarium. The group had an amazing trip that allowed them to experience seeing the different sea animals all while being able to hang out with friends and enjoying a day of fun.

The OV Baseball Team experience many 'firsts' during the 2019 season. With the new baseball field not completed until mid April, the T-Wolves spent the first half of the year on the road. Many of the players put in great deal of time outside of practices at the Bone Dome working on improving on their hitting, throwing and catching. All eyes at OV were focused on the first practice and first game on the new field. The boys didn't disappoint and gave OV a great start to the last half of their season. The Timberwolves clinched the LOVC Conference Title as well as the Regional Championship. In post season play, the boys fell to a strong team in the first sectional game. For their first season on the new OV field, the Timberwolves posted a 16-10 record.

The OVHS Softball team went into the 2019 season with the mind set to push for post season play. With wet weather and small numbers, the Timberwolves struggled all season to get their goal on track. They started out the season playing on their old field at the park, but by mid season they were celebrating a new field and renewed energies. The girls played with determination and worked to improve their skills and teamwork. They faced several tough teams and even held the lead in many games. The excitement of a new diamond just couldn't carry the small, young team through the entire season and the Timberwolves ended their year with a 21 - 3 record. Even though it wasn't the results the girls imagined at the beginning, they could be proud of how hard they worked to improve. They played with heart and for the love of the game.

The OV Bass Fishing Team faced many challenges during the 2018-2019 season. Weather was a major factor that prevented the fishers from bringing in the big catches, however, Isaac Tipsword and Eric Boomer came in fourth place at the sectional tournament and qualified as alternates for the state tournament. The Team held their annual bass fish fry fund-raiser at the Findlay Legion on March 2. They participated in several tournaments during the season including meets on Clinton Lake and Lake Shelbyville. Although they had a struggle pulling in fish at most meets, they did catch a few pretty big bass when the conditions were favorable.

The annual Post Prom festivities started out at the OVMS from Midnight until 4 a.m. on April 28. While at the middle school, the all night partiers ate tacos, played games such as human hungry, hungry hippo, had jousting battles and sang karaoke all while waiting for their name to be called for highly anticipated prizes. Before departing for Six Flags at St. Louis, they were treated to an amazing breakfast at Tailwinds restaurant in Findlay. The students spent all day riding roller coasters and eating junk food. Everyone in attendance agreed it was a great post prom filled with food, friends and tones of fun.

# Prom

The 2019 Prom was very carefully and tediously planned by the Junior Class under the vigilant eye of Mrs. Camareno. It was a Beauty and the Beast themed night full of dancing and laughing. Kailynn Bobbett and Parker Perrine were crowned as the newest OV Royalty right before the dance during coronation. One of the highlights of the of the evening included Mr. Shoaff jumping on stage and using a candelabra microphone to serenade the crowd with "Don't Stop Believing" and "Sweet Caroline." The 2019 Prom will be remembered for the crowd surfing, stage jumps and a classic lift from "Dirty Dancing." It was an evening that will go down in OV History as one of the most entertaining and memorable Proms.

Angela, To put everything that needs to be said into these few lines is impossible, so let's revert to your childhood with these words..

You are braver than you believe,  
Stronger than you seem,  
Smarter than you think and  
Loved more than you'll ever know.

You have overcome adversities that some will never know, reached heights in your personal and academic life that have gone far beyond our wildest dreams, and words could never express the love we have for you. You are truly a gift from God and we are so proud of you.

It's up to you to take control of your future, and make your choices matter. Muhammad Ali once said, "Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing. " We've taught you everything we can. -Much Love, Dad, Mom, Michael and Jaxon

**Kaitynn Bobbett**

It was only for a short little while you were mine to hold. You have grown from a sweet little girl to a strong, kind, beautiful & compassionate young woman with a huge heart for other people. I am so proud of you. I pray God continues to fill your heart with dreams and that faith gives you the courage to chase after them. Trust in Him always. Cherish every moment. Laugh harder. Love Deeper.

- Mom & Carleigh

**Molly Phillips**

Work hard, learn lots, do your best, stay on green. I love you more.

-Mom and Dad

**Gavon Hargrove**

When Gavon was very young, I could tell he was going to be smart, have a charismatic side and a real loving side to him. So far I have been exactly right. He always smiles and has something witty to say. We love you son. Good luck in your future. We're not worried about what you decide to do because we know whatever it is, you've got it covered.

-Love, Dad & Kristin

**Gavon Hargrove**

Dear Gavon Nicholas, When we used to sing "You Are My Sunshine" together, I never thought time would fly as fast as it has. I have never in my life been more proud of the strong willed and stubborn person you are. You stand up for what you believe in and when something knocks you down, you get right back up and keep going, and always with a smile and a witty comeback. I can't wait to see how your future unfolds. No matter what, you will always be my sunshine. Love, Mom

**Madison Vogel**

"Take pride in how far you've come. Have faith in how far you can go. But don't forget to enjoy the journey." - Michael Josephson. Through adversity, you have excelled and come out on top. We are so proud of your accomplishments academically, athletically, and in life. Dream big kid, the sky is the limit. We will always be your biggest fans. We love you!!

-Love, Mom and Dad

*you seem to leave me. When I awake my poor heart pangs. So won't you come back and make me happy. I'll forgive, dear. I'll take all the blame. You are my sunshine, my only sunshine. You make me happy, when skies are grey. You'll never know, dear, how much I love you. Please don't take my sunshine away. Please don't take my*

"For I know the plans I have for you," declares the LORD, "PLANS TO PROSPER YOU and not to harm you, plans to give you HOPE and a FUTURE."

## Kailynn Bobbett

**Congratulations on all your accomplishments, I'm very proud of you & can't wait to see what the future hold for you. You are a very beautiful, talented young lady with a bright future ahead, you'll go far and do so many amazing things. Never doubt yourself, be strong and give thanks to God and he will provide. I love you Kailynn, always & forever.**

## "CLOSING TIME" - SEMISONIC

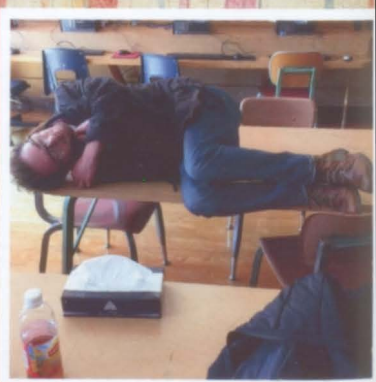

"More work than you think, but not really as hard as it seems....." - Mrs. Yantis

A yearbook doesn't just fall together. It is stressed over, worked, reworked, forgotten about, cried over, laughed about, lovingly assembled and joyfully finished. The staff spends countless hours going to events, taking pictures and gathering information before even sitting down at a computer to put a page together. Many times, they have too much information and have to decide what is the most important things to include that will tell the story. It's not an easy task. Occasionally they will come across a page that doesn't have much information at all due to the group not being as active and it's even harder to tell their story, but *that* is part of their story and it is the yearbook staff's job to tell it.

The 2019 yearbook wanted to help tell the story of the year through music. It's an important part of all our lives. Sometimes just hearing a song will take you back to an exact moment and a memory. The music chosen for each page was often decided by those who appear on the page because it was important to them. If it was chosen by a yearbook staff member, it was a song inspired by the group or event. It was fun trying to pair just the right song and lyrics with each page.

We hope you enjoy looking back over the memories of 2019. It was a reat story!

"Closing Time. Every new Beginning comes from some other beginning's End." "Closing Time" - Semisonic
